

July 2012'

Our dear friends,

Joyful greetings in Him who loved us, gave himself for us and has made us 'more than conquerors'. We trust you feel this way too.

The new academic year is well on its way now. Each of our children have moved into new and higher classes. Chaitan, Sampresh and Kiruthika – who appeared for their Class X board examinations have passed with good grades. While Sam and Chaitan have left Mizpah to continue their studies from home, Kiruthika continues Class XI with the other girls here at Mizpah. The children are happy and well, bringing much cheer to the Home.

We have had three new children join us. Ananth in Class VIII, Yermie in Class IV and Joyson her brother in Class II. Ananth is from Salem in Tamilnadu, while Yermie and Joyson are from Dimapur in Nagaland. All three children have settled in well and already feel at home with us.

The months of June and July are normally very wet. Our struggle during wet seasons in the past have been getting school uniforms cleaned and dry – ready for use the next day. We are deeply thankful to the Toowoomba team for helping us install heavy duty washing machines which now make this challenge truly a thing of the past!

Your continued interest, prayer and support encourages us to keep pressing on to the mark of the high calling we have in Christ Jesus. God bless and be with you too, making your life count for Him daily.

Every blessing in Christ be yours,

All at Mizpah
