

**March' 2012**

Our dear Friends,

Loving greetings in Jesus the ever victorious one by whose grace we are made more than conquerors. We trust that you too are rejoicing in His keeping.

The children are preparing for promotional examinations. The Indian educational system demands a lot of memory work which requires hours of focused-study so that is the chief interest in the home today. More importantly we have three of our children appearing for their class ten board

examinations. We covet your prayers for them.

We earnestly desire your stand with us in prayer for Rani who seems to have lost her joy and focus and is currently considering giving up her school work. It's the adolescent changes that are troubling her and us. O' for grace to help her see reason and bring back her happy

disposition. If she can apply Phil 4 :13 to her heart she will soon be walking the straight and narrow again.

The season is changing. The days are bright, sunny and warm, and the nights are misty and cold. It takes a little adjusting too which we reckon could be the reason for a few of the children coming down with coughs and fever. Apart from this we are in good health.

We pray that the love of God surrounds you, keep your feet from falling and your eyes from tears. With much love,

*All at Mizpah*
