Dear Friends

Greetings in Jesus the joy of our Salvation.

You have had a long wait for this newsletter and perhaps would have wondered why. With annual examinations all over and done with and school closed for the summer vacations it's every child's dream to go for a picnic, somewhere sunny and bright where there is enough water to splash in and of course where it is peaceful leaving one to be quiet with just family and friends. It was wish granted to the full for the children when we took them to Glenburn estate for a picnic. We cooked in the open and watched the children splash and play in the flowing stream. The boys caught little fish and the girls picked wild flowers while being curiously watched over by a troop of monkeys who put on a show for us of their own every now and then. The ride back home always seems shorter on days like these since every child finds an empty seat to curl upon or a shoulder to lean on and doze. There are varied responses when they hear "wake up we've reached home" before the flurry of action begins again.

Our lives (those who are at Mizpah for summer holidays) are suddenly reduced to cook, eat, sleep apart from the regular clean-up jobs that must be done. We are lonely for the noise and rush of every day living that we are so used to and we have learnt to love. Just when we are settling in to the quiet, it will be shattered by the sound of 27 happy voices, each putting in their bit of the joys of summer.

Another new school year will begin with every Mizpah child in a higher class. Geetha who appeared for her class 12 board examinations has completed her schooling with good grades.

We covet your prayers for all of us as we begin a new school term and assure you of our prayers for your well being and a joyful walk with the Lord as we all press on to the mark of the high calling in Christ Jesus. With many thanks for your faithful support towards Mizpah.
